

March 23rd, 2009

Hello Dick

Thank you very much for your kind email, it is wonderful to hear from you, as well as to work together

I have forwarded Carlos Garcia your request to be contacted for performing at the UPADI Committee on Engineering Practices

I hope to see you soon, please to provide kind regards to our Canada Engineers and friends

With friendship

Pablo E. Realpozo

Thank you for your kind letter as a President of the Mexican Federation of Engineers Associations confirming his responsibility for Mexico at UPADI. His contributions are appreciated.

Would you please pass this message to Mr. Carlos A. García Ibarra as President of the UPADI Committee on Engineering Practice. As the Engineers Canada member on the committee I would like to discuss with him the plans for the committee.

Regards;

Dick Fletcher, P.Eng
President
Engineers Canada
